Words of Thanks From Our Heroes

To say thank you to those who donated to make my wish come true is simply not adequate but I will do my best with this message. Truly, from the bottom of my heart (and my wife's heart), THANK YOU SO MUCH to the Veterans Ticket Foundation and the other donor (please let me know who you are so I can thank you personally!) for the gift of tickets to the Broncos/Patriots game, which turned out to be the best game of the season! I have not had such an amazing, wonderful time in many, many years! We are truly humbled and blessed by your generous donation (a donation that must have been painful, given how popular this game was). We truly appreciate your gift, as we had the absolute time of our lives. You know little about me, but you gave anyways, and for that we are blessed beyond measure. Thank you, and I hope to be in a position some day after I retire where I can grant the wish of another deserving service member. You have inspired me and I am truly, humbly, grateful. God bless!

Spreading The Word About Vet Tix

At the beginning of 2015; Veteran Tickets Foundation (Vet Tix) has been distributing radio and print PSA (Public Service Announcement) across the US.

At the end of 2015 we had radio PSA, airing a total of 35,991 times in almost every major city. We were also able to obtain free ad space in major airports such as MIA, DC, and JFK.

Vet Tix would like to take a moment to thank all the radio stations and airports that have been running our PSA's. This is a huge success for Veteran Tickets Foundation; we hope to grow this number even more in 2016!

American Warrior Radio-a-Thon Reaps Rewards

The mission of American Warrior Radio is to educate and inform the 99% of the population that never served by telling the stories of our men & women in the military and those who support them.

Ben Buehler-Garcia, host of American Warrior Radio went one step further in January by organizing a first time radio-a-thon generating tickets for Vet Tix! He was frustrated that very few Southern Arizona venues contributed to us so he took up the fight and wanted to help change that. It worked! He garnered tickets from a variety of theatres and venues including the U of Arizona. We want to thank Ben

for his creativity and support of the 3,000 plus Vet Tixers in the Tucson area.

Veteran Tickets Foundation (Vet Tix) provides FREE event tickets to family members of troops Killed In Action (K.I.A.), our Military and Veterans to sporting events, concerts, performing arts and family activities.

Giving free event tickets is an expression of appreciation, acknowledgement and an enduring symbol that we, as a nation, honor the service of our troops today and long after their tour of duty has passed. Helping our veterans attend events provides positive family and life experiences after their years of service to our country.
