Dear Mr. Rausch,

Thank you for your generous gift to the Coast Guard's Morale, Well-being, and Recreation (MWR) Boston branch. The 100 tickets to the Boston College-Duke University football game that you offered were truly a gracious donation and Coast Guard members from across Massachusetts enjoyed them immensely.

The MWR program succeeds in large part due to contributions from organizations like the Veteran Tickets Foundation. I greatly appreciate the Foundation reaching out to the Coast Guard here in Boston, and on behalf of the 100 Coast Guard men and women that enjoyed the game on September 17th at Boston College, I thank you!

Sincerely,

D. A. NEPTON

Rear Admiral, U. S. Coast Guard
