HAPPY HOLIDAYS FROM VET TIX

Giving an event tickets to service members is an expression of appreciation and acknowledgement. It's an enduring symbol that we honor the service of our troops now and long after they have completed their tour of duty.

OUR HERO'S WISHES

One of our goals for 2016 is to fulfill 100 percent of our Hero's Wishes. We are close to reaching that goal and with your help, we can help make a difference in someone's life today.

Disney World post deployment trip:

My name is 1st Lieutenant Keith Hutchison. My wife and I will be married 1 year in March, and will be coming off of our first deployment as well. I am a Combat Systems Officer (CSO) for JSTARS and will be going on my first deployment this fall to Al Udeid. This is going to be a super trying time on our marriage, and the first of many deployments. I'd love to give her a trip to Disney World as a way to brighten up life after the deployment and reintegration. She's always wanted to go to Harry Potter World, and loves Disney as well so this trip would mean the world to us! I grew up in the military, so am used to the deployment and military orders life, whereas she isn't. So any way I can make this less of a trying time on her, the better and getting this wish fulfilled would be a great way to do that! Thanks for considering donating to our wish!
